

ADULT STRENGTH

Exercise Readiness & Consultation Form

Custom Momentum Wellness screening and program-planning form

Purpose: This custom form helps Momentum Wellness plan a safer, more practical starting point. It is not the official PAR-Q+, a medical examination, medical advice, or a diagnosis.

Privacy: Provide only information relevant to exercise readiness and accommodations. Do not attach medical records or include unrelated medical details. Completed forms must be stored in a restricted business system, never in the public website repository.

Goals and Training Setup

1. What are your top one to three goals for joining Adult Strength? *

2. What would meaningful progress look like to you over the next three to six months? *

3. How many days per week can you realistically dedicate to training? *

4. Current experience: New to strength training ☐ Returning after a break ☐ Consistent under one year ☐ Consistent one year or more ☐

5. Where will you train, and what equipment will you have available? *

6. Are there exercises or types of training you especially enjoy or want to avoid?

Exercise Readiness

Please answer every question. A Yes answer does not automatically prevent participation, but Momentum Wellness must review it before recommending that you begin or increase activity.

7. Has a physician or other qualified healthcare professional told you not to exercise, or to exercise only under medical supervision?	YES ☐ NO ☐
8. Do you experience chest discomfort during physical activity or at rest?	YES ☐ NO ☐
9. Have you recently experienced fainting, unexplained dizziness, loss of balance, or unusual shortness of breath?	YES ☐ NO ☐
10. Do you have a current bone, joint, muscle, or movement concern that may be worsened by exercise?	YES ☐ NO ☐
11. Are you taking medication, recovering from a procedure, pregnant, recently postpartum, or managing another circumstance that may require exercise modifications or medical clearance?	YES ☐ NO ☐
12. Is there any other reason you believe you should speak with a qualified healthcare professional before increasing your physical activity?	YES ☐ NO ☐

13. If you answered Yes, briefly describe only the exercise limitation or accommodation Momentum Wellness should know. Do not attach medical records.

14. When clearance is appropriate, have you received clearance to participate in an independent exercise program? Yes ☐ No ☐ Not applicable ☐ Unsure ☐

Pause and seek appropriate guidance: Do not begin or increase exercise without appropriate review if you have concerning symptoms, have been told not to exercise independently, or are unsure whether activity is appropriate. Seek urgent medical care for an emergency.

Consistency and Support

15. What usually makes it difficult for you to stay consistent? *

--

16. Most helpful accountability: Clear schedule ☐ Progress tracking ☐ Reminders ☐ Educational guidance ☐ Other ☐

17. Is there anything else Momentum Wellness should know about your schedule, preferences, or training setup?

--

Client Acknowledgment

I understand that this is a general exercise-readiness screen, not a medical evaluation or diagnosis. I will seek advice from a qualified healthcare professional when appropriate. I will notify Momentum Wellness if my readiness to exercise changes, and I understand that Momentum Wellness may pause program recommendations while a concern is reviewed.
